CAD guide rates. These are proposed launch rates from the October 27 working price sheet. Confirm the fee and scope in writing before publication or work begins. Taxes, approved expenses and third-party software may be additional.

01 / DIGITAL

Website Audits & Digital Performance

Digital Experience Scorecard

From \$495

STARTING GUIDE RATE

REVIEW FOCUS

Agreed website pages and journeys, service clarity, navigation, calls to action, mobile presentation and visible conversion friction.

WHAT YOU RECEIVE

Executive summary, category scorecard, prioritized findings, quick wins, a 30-day action plan and a findings review call.

Scope is set before testing

Page count, customer journeys, desktop and mobile coverage, access and delivery requirements determine the final written fee.

CAD guide rates. These are proposed launch rates from the October 27 working price sheet. Confirm the fee and scope in writing before publication or work begins. Taxes, approved expenses and third-party software may be additional.

02 / RESPONSIBLE AI

AI Integration, Coaching & Learning

AI & WORKFLOW OPPORTUNITY SNAPSHOT

From \$695

Reviews up to three workflows and identifies practical use cases, impact versus effort, safeguards and an implementation sequence.

EXECUTIVE AI WORKING SESSION

From \$450

Facilitated leadership learning with realistic examples, management Q&A, an action worksheet and concise follow-up recommendations.

IMPLEMENTATION DESIGN SPRINT

\$2,500–\$4,500

Requirements, workflow design, phases, dependencies, risks and success measures. Technical deployment, custom coding and security work require separate scope.

CAD guide rates. These are proposed launch rates from the October 27 working price sheet. Confirm the fee and scope in writing before publication or work begins. Taxes, approved expenses and third-party software may be additional.

03 / COMMERCIAL GROWTH

Sales Representation & Commercial Strategy

CRM & SALES PROCESS DIAGNOSTIC

From \$1,250

STARTING GUIDE RATE

Reviews lead capture, pipeline stages, CRM habits, handoffs, reporting, KPIs and customer follow-up. Delivers a process map, gap assessment and 30/60/90-day roadmap.

MONTHLY COMMERCIAL ADVISORY

From \$900 / month

Scheduled executive support, KPI interpretation, priority reviews and practical commercial decisions. Monthly scope and meeting allowance documented in writing.

SALES REPRESENTATION AND EXECUTION

Custom quote after fit, scope, market, territory and responsibilities are defined. No commission or outcome terms are assumed.

CAD guide rates. These are proposed launch rates from the October 27 working price sheet. Confirm the fee and scope in writing before publication or work begins. Taxes, approved expenses and third-party software may be additional.

04 / OPERATIONS

Business Solutions & Operational Consulting

BUSINESS OPERATIONS + AI AUDIT

From \$1,950

STARTING GUIDE RATE

Reviews selected workflows across sales, service, administration and management, including manual effort, handoffs and measurement gaps.

WHAT YOU RECEIVE

Executive findings report, process friction map, AI opportunity register, risk considerations, prioritized improvement roadmap and management presentation.

Additional consulting: \$150 / hour

Work outside package scope starts only after written approval. Broader process design or implementation support is scoped separately.

CAD guide rates. These are proposed launch rates from the October 27 working price sheet. Confirm the fee and scope in writing before publication or work begins. Taxes, approved expenses and third-party software may be additional.

05 / MEDIA

Media, Voiceover & Creative Services

Clear, audience-ready audio and creative communication.

Custom quote

AVAILABLE SERVICES

Commercial voiceover, corporate narration, e-learning, documentary and conversational reads, plus agreed creative audio work.

QUOTE SCOPE

Share the script or project brief, intended use, duration, delivery format and any production or editing needs. Enigma confirms deliverables, rights and fee in writing.

No media rate card or usage schedule was present in the source pricing materials.

ENIGMA SOLUTIONS

Clarity Within Complexity

Bring us the challenge. We will recommend a sensible first step, explain the work and provide a written scope before any paid engagement begins.
